SUMMARY

A motivated BCA student with a strong programming and web development foundation, I am eager to apply my technical skills in a challenging role. With a commitment to continuous learning and personal growth, I aim to contribute positively to team projects while leveraging my knowledge of HTML, CSS, Java, and Python to develop innovative solutions.

EDUCATION

Bachelor of Computer Applications

KLE's Societies BCA G.H College

2025 Haveri, India

Higher Secondary Certificate

BKH Patil PU College

2022 Hirekerur, India

Secondary School Certificate

DRT English Medium Highschool

2020 Hirekerur, India

SOFT SKILLS

Active Listening: I focus on truly hearing others to understand and respond effectively.

Flexibility: I'm always ready to adapt and shift gears as needed.

Communication: I convey ideas clearly and listen actively to foster collaboration.

Multitasking: Juggling tasks is second nature to me; I handle it with ease.

Public Speaking: I'm comfortable presenting ideas to audiences with confidence and clarity.

PROJECT

Smart Street Light: A Smart Street Light is an advanced lighting system that uses sensors and IoT technology to automatically adjust brightness based on surrounding light levels and nearby movement. It not only conserves energy by reducing unnecessary power usage and remote control capabilities.

CERTIFICATE

FULL STACK DEVELOPMENT USING JAVA : during 13 Mar 2025 to 22 Mar 2025 in Association with Seminarroom Education Pvt.Ltd.

GOOGLE DATA ANALYTICS : I Successfully completed this Certificate online course on 17 Dec 2022.

MY LIFE PHILOSOPHY

"No one becomes great with a narrow mind, and no one stands strong with a broken spirit."

Atal Bihari Vajpayee

Haveri, India
